## New Timetable

This will be the clubs new timetable, as from Tuesday 3rd January 2006. As you will see it includes earlier and longer sessions, which should be more convenient to most of you, but we realise we cannot please all the people all the time – but we try! This will provide more comprehensive training sessions for all swimmers and gives the whole club a total of 19 hours pool time and one hour land work. This has got to be one of the most extensive timetables of any club in Leicestershire.

The majority of this timetable is a result of negotiations with Serco (at both Soar Valley and Loughborough Leisure Centre) and Charnwood Borough Council, who have both been very supportive in providing this extra time for us.

Now we have these hours confirmed, we can move towards some sort of monthly payment scheme. As previously advertised, you will have the opportunity to have your say on this matter on Wednesday 30th November 2005 at CLC following the completion of the AGM. If you don't turn up for the meeting, you will miss your chance.
