On behalf of the club I would just like to say a enormous thank you to Sarah our head coach who without her support and dedication to the club we would not be in the position we are today, With the girls moving up into division 1. Also I would like to take this opportunity to thank both Francesca Morton and Fiona Conway for being magnificent Captains for the club and something for the younger ones to aspire to, I mean what's more rewarding that being the Captain of such an astounding club?!!
