## Important Changes and Swim Fees

Following a review of the Club's finances and how Members pay for swim sessions, it has been agreed to introduce the following from the 1<sup>st</sup> March:-

For one hour sessions the cost will remain unchanged at £2.00

For one and a half hour sessions the cost will be increased pro rata to £3.00

One-off University training sessions will be increased to £3.50 (subject to room in pool)

The committee has also agreed to introduce a monthly payment scheme from 1<sup>st</sup> March to be paid by cheque or cash with transfer to standing order from May. The monthly payment scheme charges will be as follows:-

Improvers £18.00

Development £22.00

Groups 1, 2 & 3 and Masters £27.00

Students £20.00 – (subject to production of NUS card)

All amounts have been calculated on a 46 week swimming year but will be payable each month over the 12 month period, on the 15<sup>th</sup> of each month. The monthly payments scheme fees will be fixed until the end the Club's financial year (end September 2006).

The monthly payment will cover all swim sessions open to your swim group, including the University.

Priority at over subscribed sessions will be given to those on the monthly scheme.

Members going onto the monthly scheme will be refunded pro-rata for fees already paid for University sessions.

As a result of increased costs relating to pool hire and coach fees incurred by the Club it will be necessary to review individual session charges in the very near future, the Committee would therefore urge more members to take up the monthly payment scheme to achieve the best value possible.
