Burton 150, Shepshed 133, **Loughborough B 114**, Swadlincote 87

Thanks to all who took part and helped out. Some good swims. Now let's work on these front crawl finishes – stretch on your side rather than take a short stroke and kick in. The pool at Shepshed is shorter than Loughborough. Add 10% to you time to convert to 25 or 50 metres.
