## Thursday Sessions

Until we get a feel of how the numbers etc will work under the new timetable, it has been decided that on a Thursday, swimmers should come to Loughborough Leisure Centre at the same time as they were at Soar Valley.

Once this has been in place for a week or two, with swimmers using the new timetable, new members have joined, students are back and more importantly, a new coach is in place, we will reschedule the groups/times on a Thursday night - if necessary.

All other training times/sessions will remain as printed (we hope!).

Don't forget the **'Free Taster Session'** at Loughborough Leisure Centre on Monday 2<sup>nd</sup> January 2006 at 4.30pm until 5.30pm.  
A chance to try out the new pool – all swimmers welcome.

New timetable starts on Tuesday 3<sup>rd</sup> January 2006 with sessions at Soar Valley and Loughborough Leisure Centre.

The management committee would like to wish all the swimmers, parents and officials of LTSC a very Happy Christmas and a successful New Year.
