Newsletter – November/December 2010

Financial News

You should all have received a copy of John's letter by now, informing you of our new monthly charges as from Jan 2011. The reasons for the increases are explained in the letter and I hope you all understand why we have had to make the changes. I am sure John will explain things in more detail should you wish to quiz him further. Please ensure you make the necessary changes at your bank in order that the process runs smoothly.

Swim21

Our Accreditation files have been approved once again by East Midlands ASA, following 6 months hard work by a lot of people at the club. The club received very positive feedback from EMASA, in the way we collated the information together and presented it to them. This is the third time we have gone through this process, together with 8 annual validations/Action Plans. We are the only Leicestershire swim club to have gone through the process 3 times now and lead the way in Swim21 within Leicestershire – even if I do say so myself. We hope to get some sort of Presentation sorted before too long – well done all.

League Results

Excellent performances in the B team in the first 2 Rounds has seen them make it through to the Final at Braunstone in December. It has been a very long time since the B Team has achieved this – if at all to be honest – so a big WELL DONE to Paul Dean, his helpers and most importantly the swimmers for their achievements this year. Good luck in the Final. The A Team narrowly missed out on reaching the final of the Arena League, but at least has a home draw in December.

New Sessions

Both seem to be going very well indeed. Rawlins and Welbeck have been well supported since they started; however, there is still room for more swimmers at both. There is also room at our session at L'boro University on a Friday night. As a club we are very lucky indeed to have a Long Course (50m) training facility on our door step so please try and take advantage of this excellent venue. The session is open to most swimmers (but not all unfortunately) at the club, so please double check with Eddie or your lane coach if you wish to attend.

Presentation Evening

A good time was had by all at Quorn FC, with our President, Brian Dickinson, making the presentations to trophy winners on the night. Thanks to Sue for her hard work in organising the evening – these things don't just happen and do take a lot of time to arrange.

Christmas Timetable

There is a separate leaflet which shows our opening/closing times for sessions over the festive season. Please take time to have a read as they do vary from pool to pool. – It is also available on our web-site.

Merry Christmas and Happy New Year to all LTSC members

Competitive swimming in the
heart of Charnwood
