If you intend to come along, can you please **email** Mark Fritche at secretary@ltsc.org.uk with your family name/numbers in order for us gauge anticipated attendance. Obviously we will all be hoping for good weather, however we can't guarantee this. We will not be able to make any final decisions until the day itself. Should we need to cancel due to the weather, we will then email back those people that have registered their intention to attend - so please ensure you let us know if you are coming or not.
