Newsletter – January/February 2011

Financial/Membership News

Membership renewal forms are coming in fast and furious. Please ensure you renew your membership ASAP. This is very important, not only for club funds but for Insurance reasons as well – you wouldn't want to miss out now would you? You are also reminded to change your Standing Order details at your bank to meet our new charges. Don't forget this is **your** responsibility to do this and we will be checking on our records who has (or has not) changed them over the next few weeks. We appreciate that all prices are going up at the minute but our main expenditure - pool hire – has risen quite a lot since the turn of the year.

League Results

Both the A and B Teams finished their respective leagues in excellent form. The B team made the final of the Leicester League for the first time since..... Well, for ages, so well done to all B team swimmers, coaches and team managers. The A Team, who just missed out on the Division 2 Final in December 2010 by one position, have started where they left off with good results in Round 1 of the Leicester and District Winter Leagues. Galas draws for the February rounds are already out, so if we continue to swim as we have done recently, we should be in for another good weekend of swimming.

University/Welbeck Swimming.

With the changes to the monthly charges, swimmers are reminded that training at Loughborough University 50m pool on a Friday night is available to most of you. I am sure you don't need reminding – BUT, we are very lucky indeed to have one of the countries best training facilities on our door step – in the same town!. We must be the envy of the rest of the local clubs in the region to have this facility available to us and you are strongly recommend to use this session as part of your regular weekly training. This session may not be suitable for some of the younger swimmers within the club, so please check with Head Coach Eddie Bakewell if unsure. For the younger swimmers there is our session at Welbeck 6th Form College on a Sunday morning to which you can attend. Again, see Eddie to see if this session is suitable for you.

Session Cancellations/Changes

Due to the Royal Wedding on Friday 29th April 2011, both the University and Rawlins sessions have been cancelled. There may be one or two more cancellations of sessions around April/May time, what with the Wedding, Easter Holidays being quite late on in April and the early May Bank Holiday. We will let you know as much in advance as possible. What we do know is that all sessions will remain unchanged during Feb Half Term. On **Sunday 27th Feb**, the Welbeck session will only run from **08.30am-09.30am**. This is due to another booking in the pool and is for that one week only.

Well Done to....

Megan Morrison who has gained two National Qualifying times already. Megan gained these in the 100m and 200m Breaststroke and will compete in the National Age Group Championships to be held later this year.

***** **Stop Press******* Rawlins Session on Friday 4th February 2011 is cancelled due to a Pool Maintenance problem. Fri 11th session will be on as normal.

Competitive swimming in the
heart of Charnwood
